## About Us

# *Dharma is our duty.*

"Dharma" is not merely a name, it is our operational blueprint. In its truest sense, **Dharma means duty**. For us, this translates into an unwavering commitment to craft. No shortcuts, no compromise. We deliver fabrics that meet the highest global standards, we honour delivery timeline, and operate with full transparency with every manufacturing partner we serve.

## Our Mission

Our mission Precision Fabric Supply. At Scale. We merge India's rich textile heritage with modern material innovation to give partners unparalleled, consistent quality. System-driven operations, transparent specifications, and reliable delivery structures mean your production scales without compromise.

# Why Dharma Fab?

In the dynamic world of textiles, Dharma Fab stands out as a symbol of consistency, reliability, and innovation. We have built our reputation not just on the quality of our fabrics, but on the strength of the relationships we forge with our clients.

## Signature Fiber Icons

### Livaeco Modal

100% plant origin. Soft feel, moisture absorption, wrinkle recovery & eco closed-loop process.

Birla Excel™

### Birla Excel™

3rd-gen lyocell with 99.7% solvent recovery, unique drape & fluidity, strongest cellulosic fibre.

### VFY Blends

Viscose Filament Yarn exceptional sheen and drape, ideal for premium kurtis and fashion wear.

## Customised Fabrics

We tailor our textile engineering to meet your precise technical specifications. From targeted yarn counts to specific blends, we provide complete customization for your garment needs.

Example Technical Specification (Quality: EX-1):

Fabric Blend: Excel/VFY (55/45)

Weave: Satin | GSM: 130 | Warp: 120D VFY

Weft: 50s ExcelEPI x PPI: 132/3 x 78

## Sustainable Manufacturing

Our fabrics are designed with a deep commitment to the environment. From 100% plant-origin sourcing to utilizing a unique closed-loop process with 99.7% solvent recovery that prevents gaseous emissions, our textiles are certifiably safe for the planet.

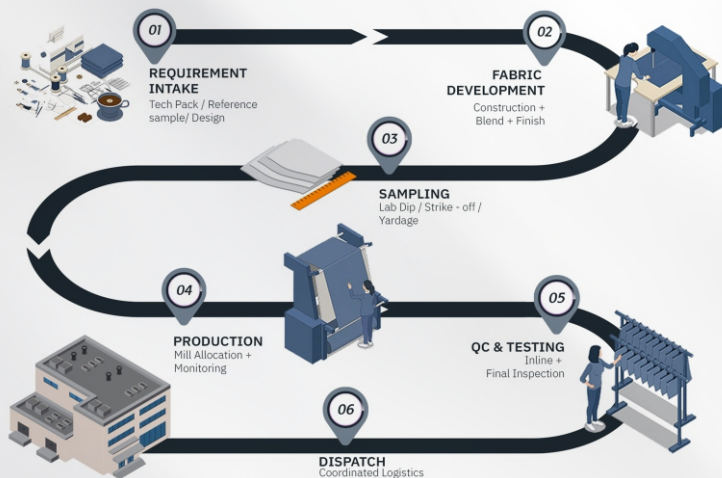

## Working with Leading International Brands

# *Global Fabric Supply, Built on Trust.*

We supply premium woven fabrics to leading brands and manufacturers across 15+ countries. Our dedicated export division ensures international quality compliance, seamless logistics, and on-time delivery across all major markets worldwide.

## Our Process

*Let's Create Something Beautiful Together*
